

THERE'S NEVER BEEN A BETTER TIME For Leisure Time.

Sensual Fragrances Relaxing Atmosphere Invigorating Experience

Spa Care For The Senses

Owning a spa is not all about work - it's about making the most of the experience. Leisure Time helps you do just that with our popular EsScents spa fragrances. Featuring 12 refreshing aromas, EsScents maximizes your spa experience, making it more enjoyable and relaxing. Each of our specialty blends is carefully crafted from unique scents that soothe the senses and nourish the body. Experience the EsScents Spa Care line with any of our three fragrance displays:

Tropical EsScents – blends of juicy flavors such as mango, pineapple, coconut and ocean breezes give your spa experience an exotic flair.

Floral EsScents – evokes an atmosphere of a garden in bloom with romantic combinations of rose, lilac, gardenia, violet and more.

Aroma Therapy EsScents – reduces stress and induces relaxation with its special blend of soothing scents.

Indulge your skin with the sweet reward of Leisure Time's Velvet Touch moisturizer. Velvet Touch is comprised of special ingredients such as aloe extract to hydrate and soften your skin while you soak.
